COVID-19 information:

Are you feeling unwell or unhealthy?

In the past 14 days:
- Have you traveled out of the country?
- Have you traveled on a cruise ship?
- Have you cared for, lived with, or otherwise had close contact with individuals diagnosed with or suspected of having COVID-19 infection?

In the past 28 days:
- Have you been diagnosed with or are you suspected of having COVID-19 infection?

If so, please don’t enter the Blood Bank at this time.

Please call the blood bank at 707-443-8004 for questions and information.

Thank you
