

Dear Licensee:

Attached below is your license for the production of Biologics. Your license is void after the expiration date below.

NOTE: Application for renewal of license must be filed with the department not less than 10 days prior to its expiration date and shall be accompanied by the annual renewal fee. Failure to make a timely renewal shall result in expiration of the license.

California Health and Safety Code, Section 1615. Automatic revocation; new license prior to change; proceedings for denial.

(a) A license shall be automatically revoked when there is a change of address, ownership, or person in charge of biologics production. However, a new license may be secured for the new location, owner or person in charge prior to the actual change, provided the contemplated change is in compliance with all the provisions of this chapter, and regulations pertaining thereto.

(b) Proceedings for denial of license shall be conducted in accordance with Chapter 5 (commencing with Section 11500), Part 1, Division 3, Title 2 of the Government Code.
